2020 INFORMATION GUIDE for New Instructors

Thank you for your interest in teaching a class through the Sebastopol Community Cultural Center! We hold a variety of classes to fill the needs of our community and we are always open to new class ideas. Our instructors are a vital part of our community center and we are happy to bring in new instructors. Welcome!

Our Mission Statement

The Sebastopol Community Cultural Center commits itself to providing community events, educational and recreational classes, social and cultural services and rental use of SCCC facilities. We strive to improve the quality of life in Sebastopol for individuals and the community as a whole.

Submit a Class Proposal

If you are interested in teaching a class, please fill out and submit our class proposal form to the SCCC office or online (www.seb.org). Tell us about your vision for the class and show us your passion for the class subject! Make sure to submit a complete proposal. We accept class proposals year round. However, we have a timeline based on the publication of our seasonal Activity Guide. Come to our New Instructor Orientation held 3 times a year to learn more about the new class proposal process!

Activity Guide Timeline:

- Winter/Spring Session: January 1 – May 31 ~ Deadline: Past
- Summer Session: June 1 – August 31 ~ Deadline: Jan 31, 2020
- Fall Session: September 1 – December 31 ~ Deadline: May 15, 2020

New Class Criteria

SCCC strives to hold a variety of educational and recreational classes that improve the quality of life for our community. We are looking for classes that have community interest and fill the underserved needs of our community. It is also important that new instructors have the appropriate qualifications to teach a class.

Proposal Acceptance

All proposals must be received by the deadline. Proposed classes will be reviewed and selected by our Instructor committee based on the class criteria as outlined above. This process takes a few weeks as we receive many submissions. We will be in touch with you either way and appreciate your patience!

Instructor Models

Ongoing Renter:

Instructors pay a monthly rental fee depending on the room, duration of the class and time of day. Classes are held at the same time weekly, biweekly or monthly. Renters pay for a full month even if they elect not to schedule their class on one or more days of that month. Instructors are responsible for all class registration and class fees and must provide their own insurance documentation. A minimum rental of 3 months is required.

Sebastopol Community Cultural Center

Independent Contractor:

Instructors are paid on a contractual basis. SCCC pays the instructors 65% of the collected class registration fees for their services, while SCCC retains 35% for administrative services. SCCC is responsible for all class registration and collection of class fees. Instructors are responsible for obtaining their own insurance documentation. There are three scheduling periods during the year with new class sessions starting at the beginning of each period. A minimum class of 3 months is required.

Space & Facility Availability

Classes are generally held Monday through Friday. We do our best to accommodate all of our instructors, but we make room assignments according to availability of appropriate space within our facility. When filling out the class proposal form, providing alternative days and times helps us find room for your class! We manage two buildings that both offer a variety of different classroom types and sizes:

- Main Building: Main Hall, Green Room & Blue Room
- Youth Annex: Main Room, Side Room & Music Room

Class Fees

Class fees are set by the instructor, but are subject to the approval of SCCC. We strive to make all of our classes accessible to the whole community.

Need-Based Youth Scholarship Program

SCCC offers a scholarship program for youth classes. We want our youth to have the opportunity to participate in our classes and camps.

Insurance Requirements

SCCC requires liability insurance for all classes. Instructors are required to provide SCCC with a Certificate of Liability Insurance and an Additional Insured Endorsement. Instructors will receive information regarding the Insurance Requirement in their onboarding packet.

Marketing

SCCC works together with our instructors to market and promote their classes through our:

Activity Guide (3x a year) **Website** (www.seb.org)

Social Media: Facebook and Instagram E-Blasts (bi - monthly)

Instructor Monthly Profiles and Community collaborations with other organizations and schools.

We also recommend that our instructors market and promote their classes through:

- Flyers & Postcards: Instructors must include "Sebastopol Community Cultural Center" and our logo on all printed material.
- Online Websites: Instructors are encouraged to post information about their class to online sites to publicize their class.
